2. MINUTES OF THE 1984 ANNUAL MEETING OF THE SOCIETY

The Thirty-ninth Annual Meeting of the Bibliographical Society of Canada/La Société bibliographique du Canada was held on Wednesday, 6 June 1984 at the Metropolitan Toronto Library, Toronto. A programme had been organized by the local arrangements committee composed of Dr. Desmond Neill, Chairman, Dr. Robert Brandeis, Dr. Patricia Fleming, Miss Elizabeth Hulse, and Mr. David Kotin. In the morning the following papers were presented:

"Quest for Crusoes: Frustrations and Rewards" by Dr. Rupert Schieder, Trinity College, University of Toronto.
 "La revue Culture et sa contribution à la bibliographie canadienne" by Dr. Marcel Lajeunesse, Ecole de bibliothéconomie, Université de Montréal.

In the afternoon:

"The Early History of the Macmillan Company of Canada, 1905-1921" by Mr. Bruce Whiteman, McMaster University Library.
 "An Honest Trade: The Porcupine's Quill by Mr. Tim Inkster, publisher and poet.

The thirty-ninth annual business meeting followed the afternoon session at 4:15 p.m. The President, Miss Liana Van der Bellen, called the meeting to order and welcomed the sixty members and guests present. Approval of the agenda was moved by Mr. David Kotin, seconded by Dr. Desmond Neill, and carried. In the absence of both the Secretary-Treasurer and the Associate Secretary, Mr. Kotin agreed to act as Secretary. The minutes of the thirty-eighth annual meeting having been published in the May 1984 issue of the Bulletin, Mr. David Kotin moved their adoption as printed, seconded by Dr. Olga Bishop, and carried.

Miss Van der Bellen then presented her President's report. She noted that the BSC/SBC continues to be the principal associa-

tion to bring together those who, individually or within institutions, pursue research and publish bibliographical and scholarly studies in the various fields related to Canadian literature and publishing and printing history. For many years to come, dedicated individuals will be needed to tackle unexplored areas of Canadian bibliography and to fill gaps left in this field by institutional and official bibliographical and networking enterprises. Annual meetings of the Society will continue to offer a forum for presenting research papers, discussions, and exchange of information on work in progress. She pointed out that many members have been recipients of SSHRC grants and thus even in economically difficult times bibliographical research projects have been initiated and completed. She noted the Society's pride in the outstanding contributions of its members and listed a few projects, completed or near completion: Dr. Olga Bishop's Publications of the Government of Upper Canada and of the Government of Great Britain Relating to Upper Canada, 1791-1840; Dr. Patricia Fleming's Upper Canada Imprints, 1801-1840; Dr. George Parker's long-awaited comprehensive history of the book trade in Canada; the Metropolitan Toronto Library's listing of its pre-1867 Canadiana acquired since the publication of A Bibliography of Canadiana and its Supplement.

The President reported on a meeting of the Groupe de recherche en histoire de l'imprimé au Québec (GRHIQ) held at the National Library of Canada in March 1984 and coinciding with the meeting of the BSC Council (also held at the National Library). Several BSC Council members were able to participate, including Dr. Patricia Fleming, Miss Elizabeth Hulse, Professor Peter McNally, and Dr. George Parker. They presented to their Québec colleagues overviews and reports on their personal research in the fields of the history of printing, publishing, and libraries. Miss Van der Bellen suggested that consideration be given to hold a meeting together with GRHIQ, which brings together scholars in the field of the history of libraries and books in Québec. This could perhaps be done when CLA meets in Québec.

During the year the President and Secretary responded to requests for information and for BSC publications, and the President wrote letters in support of the Canadian Institute for Historical Microreproductions and the University of Toronto Press, recommending continued and sufficient financial aid to these important institutions.

The Council as usual held two meetings, one in October 1983 in Toronto and another in March 1984 in Ottawa. The President noted that the archives of the Society are located at the Queen's University Archives and reminded former Council and Executive members to send any documentation, correspondence, etc., related to their activities in the BSC to the archives.

The Secretary-Treasurer, Miss Eleanor Magee, was unable to attend the meeting. The President read her reports and distributed the annual financial report and the proposed 1984 budget. As of December 31, 1983 the balance in the General Account was

\$5,197.77 and in the Bibliography of Canadian Bibliographies Account, \$4,754.97. Acceptance of the report of the Secretary-Treasurer was moved by Mr. David Kotin, seconded by Dr. Desmond Neill, and carried. The proposed budget was then presented. An estimated income of \$9,200 and an estimated expenditure of \$12,180 would give a deficit of \$2,980. The Secretary-Treasurer noted that the expected deficit would be covered from surplus funds carried forward from 1983. The two major expenses anticipated were for Papers/Cahiers Vol. XXII and for the twenty-year cumulative index to the Papers/Cahiers. Acceptance of the 1984 budget was moved by Mr. David Kotin, seconded by Ms Patricia Stone, and carried. Some discussion ensued concerning the anticipated deficit. Notice was taken of Mr. Katz's motion that consideration be given by the Council to increase the membership fees for personal and institutional members by five dollars. The President then read the Membership Report submitted by the Secretary-Treasurer. Quite a few membership fees still not having been paid, she was unable to give exact figures. However she estimated that the final number would probably be about 360, including both personal and institutional members. Ten new members joined the Society between January and June 1984. The membership list will be printed in the fall.

In the absence of the Chairman of the Nominating Committee, Professor Gloria Strathern, Ms Beth Miller presented the Committee's report. As recommended by Professor Peter McNally at the 1983 annual meeting, a call for nominations had been included in the Bulletin. The following slate of officers for the Society was presented:

The President called for further nominations from the floor. There being none, Ms Beth Miller moved the acceptance of the report, seconded by Miss Elizabeth Hulse. The motion was carried. The President thanked retiring Council members for their work for the Society and then introduced the new Councillors present.

A report on the activities of the Publications Committee was given by the President in the absence of the Chairman, Mr. Bruce Peel. The BSC brochure had been revised and reprinted. A publications policy was being developed with the following types of publication being proposed by the Chairman, pending availability of suitable texts and funds:

1. A reprint series of eighteenth- and nineteenth-century Canadian bibliographies still having relevance.
2. A literary bibliography series featuring individual authors.
3. A series of subject bibliographies.
4. Bibliographical essays and collections.
5. Facsimile or reprint series of early interesting or significant Canadian pamphlets.

He reported that the editor responsible for the preparation of the third edition of the Society's Bibliography of Canadian Bibliographies had resigned in August 1983 and that the Council at its March 1984 meeting had come to the conclusion that a complete revision would not be feasible at the present time. A supplement listing Canadian bibliographies published since 1973 could be considered. The volume could either include all disciplines, or the fields of the humanities and social sciences only. The publication policy and programme would be discussed at the fall Council meeting. He also reported that the storage of the stock of the BSC's publications has been a problem. For several years the boxes have been stored in a building on Dr. David Hayne's property. A subcommittee of the Publications Committee composed of Miss Elizabeth Hulse and Dr. Patricia Fleming will investigate other locations, preferably on the University of Toronto campus. The Secretary-Treasurer has proposed a sale of some long runs of publications at discounts to members in order to diminish the stock on hand.

The new Editor of the Papers/Cahiers, Ms Patricia Stone, reported that the 1982 issue of the Papers/Cahiers (Vol. XXI) was distributed in the fall of 1983. This was the last volume edited by Miss Elizabeth Hulse. Ms Stone is completing the 1983 volume (Vol. XXII) and reported that it will contain three of the papers presented at the 1983 Annual Meeting in addition to three other papers and twenty reviews.

In the absence of the Indexer to the Society, Mrs. Marilyn Flitton, the President reported that a twenty-year cumulative index to the Papers/Cahiers was in preparation.

Miss Elizabeth Hulse, Chairman of the Tremaine Medal Committee, reported that a call for nominations will appear in the fall 1984 issue of the Bulletin. The nominations must be submitted before January 31, 1985. The presentation of the medal will take place at the 1985 Annual Meeting.

In her closing remarks the President proposed a vote of thanks to the Organizing Committee and noted that she hoped many of the members would be able to participate at the next annual meeting to be held in Calgary on June 12, 1985. She then presented the new President, Dr. Desmond Neill to the membership. The meeting ended at 5:20 p.m. on a motion of adjournment. The members and guests then proceeded to the reception held in the Reading Room, E.J. Pratt Library, Victoria University.

Liana Van der Bellen, President
David B. Kotin, Acting Secretary

5. THE MARIE TREMAINE MEDAL 1985

This year's winner of the Tremaine Medal is Douglas Grant Lochhead, Davidson Professor of Canadian Studies and Director of the Centre for Canadian Studies at Mount Allison University, Sackville, New Brunswick. Professor Lochhead has long been active in the Society and is well known to many members. He was Chairman of the Publications Committee from 1961 to 1972 (when he edited the second edition of the Bibliography of Canadian Bibliographies) and was President from 1974 to 1976. He was also the moving spirit behind the Society's first two colloquia in 1971 and 1973. He is the author of many articles on Canadian printing and publishing history, and while Librarian of Massey College in the University of Toronto, he established the first bibliographical press in Canada. The Medal will be presented to Professor Lochhead at the Annual Meeting in June.

At its March meeting the Council unanimously accepted the recommendation of this year's Committee that the Tremaine Medal be awarded annually in future. This change should provide a greater opportunity for deserving scholars to be eligible for the Medal. The Committee also recommended that the terms of the award be reviewed and the objectives more clearly defined and, if necessary, broadened, in light of the great variety of bibliographical work now being carried on in Canada. (The terms of the award appear in Volume IX (1970) of the Papers/Cahiers.) Members of the Society are invited to submit suggestions and recommendations regarding the Tremaine Medal to Professor Gloria M. Strathern (Faculty of Library Science, University of Alberta, Edmonton, T6G 2J4), who will chair the next Committee.

6. CALL FOR NOMINATIONS FOR THE TREMAINE MEDAL 1986

The Marie Tremaine Medal is awarded by the BSC/SCB for outstanding service to Canadian bibliography and for distinguished publication in either English or French in that field. The Medal will be awarded in 1986, preferably to a member of the Society or to a Canadian citizen. Members of the Council of the Society are not eligible for the award while they are in office.

Previous recipients of the Tremaine Medal have been Marie Tremaine, 1970; John Hare and Hean-Pierre Wallot, 1973; Bruce Braden Peel, 1975; William F.E. Morley, 1977; Reginald Eyre Watters, 1979; Olga Bernice Bishop, 1981; Alan F.J. Artibise, 1983; and Douglas Grant Lochhead, 1985 (see above, item 5).

The Tremaine Medal Committee, which is chaired by Gloria M. Strathern, now invites nominations for this award. Each nomination must be supported by a biographical note, a list of principal publications, and other relevant information, and sent to Professor Strathern by January 31, 1986.

7. CANDIDATURES POUR LA MEDAILLE MARIE TREMAINE

La Société bibliographique du Canada attribue la Médaille Marie Tremaine pour services exceptionnels rendus à la cause de la bibliographie canadienne et pour des publications de haute qualité dans ce domaine, soit en français, soit en anglais. La Société compte décerner la Médaille en 1986, avec préférence accordée aux membres de la Société et aux citoyens canadiens. Les membres ou Conseil de la Société ne sont pas admissibles pendant les années de leur mandat.

La Médaille Tremaine a précédemment été décernée à Marie Tremaine, 1970; John Hare et Jean-Pierre Wallot, 1973; Bruce Braden Peel, 1975; William F.E. Morley, 1977; Reginald Eyre Watters, 1979; Olga Bernice Bishop, 1981; Alan F.J. Artibise, 1983; et Douglas Grant Lochhead, 1985.

Le Comité de sélection de la Médaille Marie Tremaine, Gloria M. Strathern, présidente, sollicite des candidatures pour le concours 1986. Veuillez faire parvenir des dossiers de candidature à la soussignée en les accompagnant d'une notice biographique, d'une liste de publications, et de tout renseignement supplémentaire pertinent. Aucune candidature sera acceptée après le 31 janvier 1986. Professor Gloria Strathern, Tremaine Medal Committee, Faculty of Library Science, University of Alberta, Edmonton, Alberta, T6G 2J4.

8. NEW AND FORTHCOMING PUBLICATIONS

Bibliography of Canadiana: Second Supplement

The Metropolitan Toronto Library has published Volume 2 of a projected three volume Second Supplement to A Bibliography of Canadiana. When completed the Second Supplement will describe the more than 3500 titles acquired by the Library since the publication of the First Supplement in 1959. Based on the general principles established by Staton and Tremaine, the Bibliography has been enhanced by eight indexes through use of computer technology. Volume 2, the first to be published, includes titles with imprint dates from 1801 to 1849. Volume 3, to be published in the spring of 1986, will contain approximately 1600 titles for the period 1850 to 1867, and Volume 1, scheduled for late summer 1986, will include titles from 1511 to 1800. A cumulative index is being prepared. Prepaid orders should be sent only to:

The Beginnings of the Book Trade in Canada

The product of twenty years' research, George Parker's forthcoming (June 1985) book is the first full-length study of bookselling and publishing in Canada before 1900. It examines such themes as Canada's relations with Britain and the United States, particularly in the areas of copyright and trade; the movement for universal education; the emergence of a native literature; and the changing printing technology; and their impact on the development of the book trade in nineteenth-century Canada. A feature review of this book by Miss Elizabeth Hulse has already appeared in the April, 1985 issue of Quill and Quire.

Canadian Literature: An Index to Theses Accepted by Canadian Universities

This bibliography is based upon an evaluation of Canadian Theses/Thèses canadiennes, the official theses list published annually by the National Library of Canada. The 1530 registered

titles are arranged in two groups: the first encompassing studies on general topics in drama, fiction, poetry, and the press, and the second presenting the studies on individual authors. The work concludes with an author and a subject index. The book may be ordered from Edition Gemini, Nonnenwerthstrasse 66, D-5000 Köln 41, West Germany.

11. CALL FOR PAPERS

The Bibliographical Society of Canada/La Société bibliographique du Canada invites scholars working in any aspect of Canadian bibliographic study, including printing and publishing history, to submit papers in English or French for consideration for publication in the Society's Papers/Cahiers. Manuscripts and enquiries should be addressed to Ms Patricia Stone, BSC Papers/Cahiers, Canadiana Department, North York Public Library, Willowdale, Ontario, M2J 4S4.

12. WORK IN PROGRESS

John Miska, a librarian with Agriculture Canada, has received a grant from the Multiculturalism Directorate, Secretary of State, for the preparation of a literary anthology of Hungarian poetry in Canada. A similar grant supported Mr. Miska in compiling a comprehensive annotated bibliography, to be published shortly by the Canadian Plains Research Centre, entitled Canadian Studies on Hungarians: A Centennial Bibliography.

Grace Heggie, Social Sciences Bibliographer, York University Libraries, has sent further information concerning her SSHRC Grant (see list above): "The project will provide complete access to the longest continuously-published English-language periodical in Canada. Saturday Night is a significant publication which constitutes a contemporary record of the intellectual and cultural trends in English Canadian Society. Saturday Night has been indexed, since 1938, in the Canadian Periodical Index, but the first fifty years remain virtually inaccessible to interested readers and researchers. This project will, at last, open a complete file to this important magazine."

Alvan Bregman and W.W. Barker are currently compiling a checklist of early editions of Erasmus in Canada, to be published in Erasmus in English. We would be very grateful to know of any editions pre-dating 1600 in public or private collections outside Toronto and Montreal. Correspondence can be sent to Alvan Bregman, Faculty of Library and Information Science, University of Toronto, 140 St. George St., Toronto, Ontario, M5S 1A1.

13. THE BIBLIOGRAPHICAL SOCIETY OF CANADA ARCHIVES

The official repository of archives of the BSC/SBC is in the Archives at Queen's University, Kingston, Ontario, K7L 5C4 where Anne MacDiarmid is Chief Archivist.

Please send all materials (files, correspondence, notices, notes, clippings, ephemera, etc.) to Mrs. MacDiarmid at the above address.

14. INFORMATION REGARDING THE SOCIETY

The Society welcomes as members all who share its aims and wish to support and participate in bibliographical research and publication. For information concerning membership in the Society or purchase of any of the Society's publications, please contact Dr William Stoneman, Secretary-Treasurer of the Society, Victoria College, University of Toronto, Toronto, Ontario.

15. CONTRIBUTIONS TO THE BULLETIN

As the new editor, I would particularly encourage members to send contributions or suggestions to the Bulletin. Items to do with colloquia, seminars, exhibits, or other events with bibliographical content are welcome, even if the event has already occurred prior to publication of the Bulletin. I am also interested to include items on work in progress, forthcoming publications, and readers' queries. Correspondence should be addressed to Alvan Bregman, Editor, BSC/SBC Bulletin, Faculty of Library and Information Science, University of Toronto, 140 St. George St., Toronto, Ontario, M5S 1A1. Deadlines for submission are April 10 (for the May issue) and October 10 (for the November issue).
